

One World Children's Academy

January 2014 Newsletter

We hope all of our One World families had a wonderful Christmas. Everyone at One World is looking forward to the New Year and everything we have coming up for you and your children. This January, all the classes will be enjoying the winter season with many cold weather sensory projects and learning about polar animals. There will be many art projects involving polar animals, as well as our other themes: Winter Weather, Nutrition and the Five Senses. All the teachers hope that you enjoyed the gifts and art projects the children brought home last month and we are looking forward to this coming months projects, science experiments and learning activities they have planned!

Thank you

A big thank you to all of our wonderful parents and grandparents who contributed to our adopt a family this past Christmas. It is wonderful to see all of the generosity for our families who needed extra support this holiday season.

Sick Children

We try very hard to prevent the spreading of germs within the school. We are disinfecting continuously and containing sick children to not spread more illnesses so you can continue to work and support your family. We would like to ask our families that if your child is not feeling well, a fever, diarrhea, vomiting, chills, yellow discharge from the eyes and similar symptoms that you keep them home and have them evaluated by a doctor before returning to school. Please remember if your child does stay home, that you call the school to let us know if your child will not be coming to school.

Top 10 Immunity Boosters
by Dr. Natasha Campbell-McBride MD
honestbody.com

Important Announcements!

Tax Statements

Tax statements will be prepared and sent out to all of our families the second week in January. There will be a sign-up sheet available at the front desk next week for requests for your tax statements. Please allow at least 24 hours after you sign up at the desk.

Warm Clothing

Parents please be sure to bring your children with a warm coat, boots, gloves, etc. Please make sure that clothing is labeled with your child's name. Even if for just brief periods during bad weather we do take the children out to play to get some fresh air and exercise.

Snow Days Policy

One World follows the Washoe County School District Snow Day Policy. If Washoe Schools have a two hour delayed start we will have a one hour delayed start. One World will open at 7:45am instead of 6:45am. If Washoe County schools are closed for the full day, One World will again have a one hour delayed start opening at 7:45am. We do plan to open the school under most conditions, however, please check the local news stations, call the school to check the answering machine, check our Facebook page and look for emails from us as we plan to utilize these resources to help get the correct information to you. In very extreme conditions we may need to close for the safety of our families and staff.

Holiday Change 2014

For the year of 2014 we will be OPEN for Veteran's Day as so many businesses are still open for this Federal Holiday.

ASQ Assessments

In November, ASQ assessments were sent home with every student. It is important that those assessments are returned as soon as possible to the front desk. If you do not wish to participate, please sign the waiver that was included and return the assessment to the front desk.

Open Door Policy with Management

Please stop by the front office and speak to Ms. Susan and Ms. Wendy if you have any questions or concerns. We love what we do and we love working with each of you. The needs of your child are very important to us. Please come by and visit with us anytime.

Family friendly places to explore...

Jump Man Jump
