

One World Children's Academy

Summer 2014

Summer is here!

It's hard to believe that summer is already here and with that come lots of sun, fun, and great adventures. We have activities for all of our students here at One World. Summer curriculums are out and they are filled with Buggy Rides, Bike Days and Water Days! Please be sure to check your child's calendar for these special events.

Bike & Water Date Schedule

- All Bike and Water days are on Wednesdays
- Bike Days: Please park your child's bike on the back playground. Each child MUST have a helmet to ride his/her bike.
- Water Days: Please have your child come to school dressed for water play and with sun screen already applied. The teachers will help the children change into their regular clothes after water play. Please make sure that all your child's items are labeled with his/her initials.

Sunscreen

Baby Blanket Sunscreen SPF 55 is available at the front desk for our families to help themselves if they forget to apply sunscreen before bringing their child(ren) to school. It is PABA free and will not sting the children's eyes and it works for several hours.

Warm Ups for Lunch

During the summer months of June, July, and August the Pandas, Koalas and Lions will occasionally eat outside at the picnic tables and sometimes on the front lawn. We are asking that parents not bring food items that need to be warmed up. If items do need to be warmed we ask that you pre-warm them and pack them in a thermos. The Cubs and Tigers however can have warm ups. Thank you.

Sandals

We are asking parents to please bring children with **closed toe** shoes and/or sandals that are completely closed with a strong strap on the back of the heel. We cannot allow children to play on the jungle gym or on the tricycles while wearing flip-flops as they can easily slip or trip and hurt themselves.

Thank You

We want to thank all of our families that have helped our school grow. We are almost at capacity due to referrals directly from the family's right here at the school. We cannot thank all of you enough for trusting us with your most prized possessions and for allowing us to do what we love the best!!

Fall Kindergarten Enrollment

Just a reminder that if you have not paid your \$75 deposit for your child for our Kindergarten Enrichment program at Creative World this fall, your deposit to hold a spot is due by Friday, June 13th. Thank you.

Classrooms

- We are so excited about all the changes and additions to One World. The teachers have all worked hard on their curriculums and setting up their classrooms for summer fun.
- Ms. Jennifer is our newest addition to the One World staff. She just graduated with her degree in Health and Community Sciences from UNR. She has eight years of experience working with children with a wide range of abilities and ages. Ms. Jennifer will be working in the Lions class with Ms. Jenna.
- If you did not receive a copy of the curriculum via email please let the front desk know. All curriculums and the newsletter will also be posted on our website. Bike and water days will also be posted to our website calendar. Sync the calendar with your phone so that you always stay up to date.
